

Dental/Medical HELP for Working Families

The 5:16 Clinic exists to bring glory to God by serving those in our community with physical, emotional, and spiritual needs by providing quality healthcare in mercy, grace, and love of Jesus Christ.

You may qualify for FREE dental or medical services if:

1. You live in Pulaski County
2. You or someone in your household is actively employed (at least 32 hours/week)
3. You have no dental insurance (for dental services)
4. You are **uninsured** or **underinsured** (with high deductible and no primary care services) for medical services
5. You meet income guidelines – with **total household income** not exceeding 200% of the Federal Poverty Rate (see chart below)

Qualifying Income Thresholds by Family Size

Size of Family	Maximum Annual Income
One person	\$29,160
Two people	\$39,440
Three people	\$49,720
Four people	\$60,000
Five people	\$70,280
Six people	\$80,560
Seven people	\$90,840
Eight people	\$101,120
Nine people or more	\$111,400

Interested? Visit www.516clinic.org for application forms or email contact@516clinic.org. Mail completed forms, along with required support documents to: 5:16 Clinic, 810 E. Mt. Vernon St., Somerset, KY 42501

All services are provided by licensed professionals who volunteer their time.

**** 5:16 Clinic is not able to provide acute or emergency care. All patients must go through the approval process before being treated. Services are provided by appointment only. ****
